MARY ROWLEY

My name is Mary Rowley. I have been active with the Council of Catholic Women for over 25 years. I live in southwest Missouri and have worked at my parish, Sacred Heart, for over 30 years as the Office Manager/Administrative Assistant. As the office manager/administrative assistant wears many hats with this position, I am not only involved in the day-to-day operations but also see the need of being enriched with local people.

During my time involved with CCW, I have been fortunate to serve on many levels of council. Currently, I am the coordinator of the Leadership, Training & Development Team (LTD). I have been the coordinator since August of 2023 and a trainer on the team since the fall of 2019. The LTD team goes where we are needed to councils and help them revitalize their group where there are weaknesses and offer ideas for strengthening their councils.

For the last several years, I have worked with the National Council of Catholic Women in being on the board as Province Director, NCCW Spiritual Commission Chair, and currently as LTD Coordinator. While serving I was fortunate to volunteer as part of the Liturgy Committee, served on the Service Commission, and on the Resolutions Committee.

Currently at the diocesan level I am serving as Spirituality Commission Chair. I help offer annual retreats for our board members. I have served as Diocesan President, President-Elect and have been coordinator of our diocesan spring convention for two years.

My love for council and knowing the benefits that it brings to one another, our parishes, and communities both near and far are something that needs to be brought to the forefront and not a well-kept secret. I look forward to what the future brings. Please vote for me, Mary Rowley, President Elect.

Jane Schiszik
